President's Message

September is just around the corner which means the clubhouse will soon be filled with the sounds of laughter as friends acquaint with one another after the summer hiatus. While standing at the podium each month, I can't help but notice how much you all enjoy seeing your fellow Neptunians and visiting with each other. It is heartwarming to see. Our Membership VP, Lorri Kampfner has a full calendar of events planned for this year

so you'll have even more opportunities to get together with friends both old and new.

While socialization is important, we can't lose sight of our true mission. Since our founding in 1909, our Club has fostered the women in our community to make a difference. Each and every one of us has a part to play in making a positive mark in someone else's life. The Board is hard at work developing ways in which our members can fulfill our mission. Each month Kathie Nichols sponsors an "In-Kind" donation to help those in need. One look at the donation table speaks to the generosity of our members. This year we will also sponsor events at which you can participate, look to the monthly newsletter for more information.

As you all know, our year culminates in awarding scholarships to financially needy high school seniors. Raising the money for these scholarships is always a challenge but year after year our members have stepped up by their attendance at our major fundraising events which raised the bulk of the funds, or by directly donating to our scholarship funds. But this year poses a special challenge, as we don't have a VP of Fundraising. Lack of a strong leader make it very difficult to put on a major fundraising event such as the Fashion Show. Please consider volunteering, if not for the leadership role, consider volunteering for one of our events. We need your help.

Looking forward to seeing you all on September 13.

9/11 Garden

We have finally decided after two years that we can get on a schedule to work in the 9/11 garden. The first Thursday of the month we decided will be our work day which began in June.

A big thank you to all the Angels past and present who care about this garden. Lucky us to have this opportunity. We know it's appreciated by the community and the firefighters.

Book Group

The Neptunian Book Group will meet on Thursday, September 15, 2022 at 1:30 PM in the NWC clubhouse. Our reviewer will be Sharon Waterous. Sharon will review a book of her choice. After her review you will all have an opportunity to tell us about what you are reading if you would like.

We also plan to Zoom this meeting so an invitation will be sent out a few days prior.

Hostesses for this meeting are Susan Howard, Jeri Dearden and Nancy Arnold.

If you are a book lover, and not already part of our group, we would love to have you join us. Just contact me and I will send you an invitation.
